

## CORONA-ANTIGEN TEST INFORMATION SHEET

The university offers COVID self-test (nasal) at all locations starting from March 1<sup>st</sup>, 2021 (testkits are issued to the porters):

JOYSIBO Sars COV2 Antigen Rapid Test

Testing is voluntary, tests should be carried out every 2 days if you are present at university. - Test instructions are available at the test stations.

**ATTENTION:** These tests cannot be used for visiting e.g. hairdressers, no certificate is issued!

The testing does NOT replace the hygiene measures (distance, disinfection, mask obligation)! People with existing symptoms should NOT come to the university for testing, but should call the AGES hotline at home on 1450 instead!

If **you are tested positive** at the university, call the AGES hotline on **1450** and follow their instructions. The university is to be informed on 0732 7898 2220 (daniela.grogger@ufg).

---

**In addition/supplementary** students and staff can take advantage of the free test offer of the Water Pharmacy (Hauptplatz 8, Linz). Three time slots have been reserved per week for the university:

Monday - Wednesday, 9:00 - 12:00

Registration can be made under 0732 – 775880 mentioning of the Kunstuni. Take your e-card with you!

**ATTENTION:** These tests can be used for visiting e.g. hairdressers, a certificate is issued!

---

**Additional/supplementary antigen tests** are carried out at pharmacies throughout the country (free [Antigentests Apotheken.pdf \(apothekerkammer.at\)](#) as well as in test facilities of the province of Upper Austria (Province of Upper Austria -[Corona Antigen-Schnelltest \(land-oberoesterreich.gv.at\)](#)). A pre-registration by telephone or registration via Internet is necessary.

**ATTENTION:** These tests can be used for visiting e.g. hairdressers, a certificate is issued!
